WHAT I DO

Core Competencies

CAREER

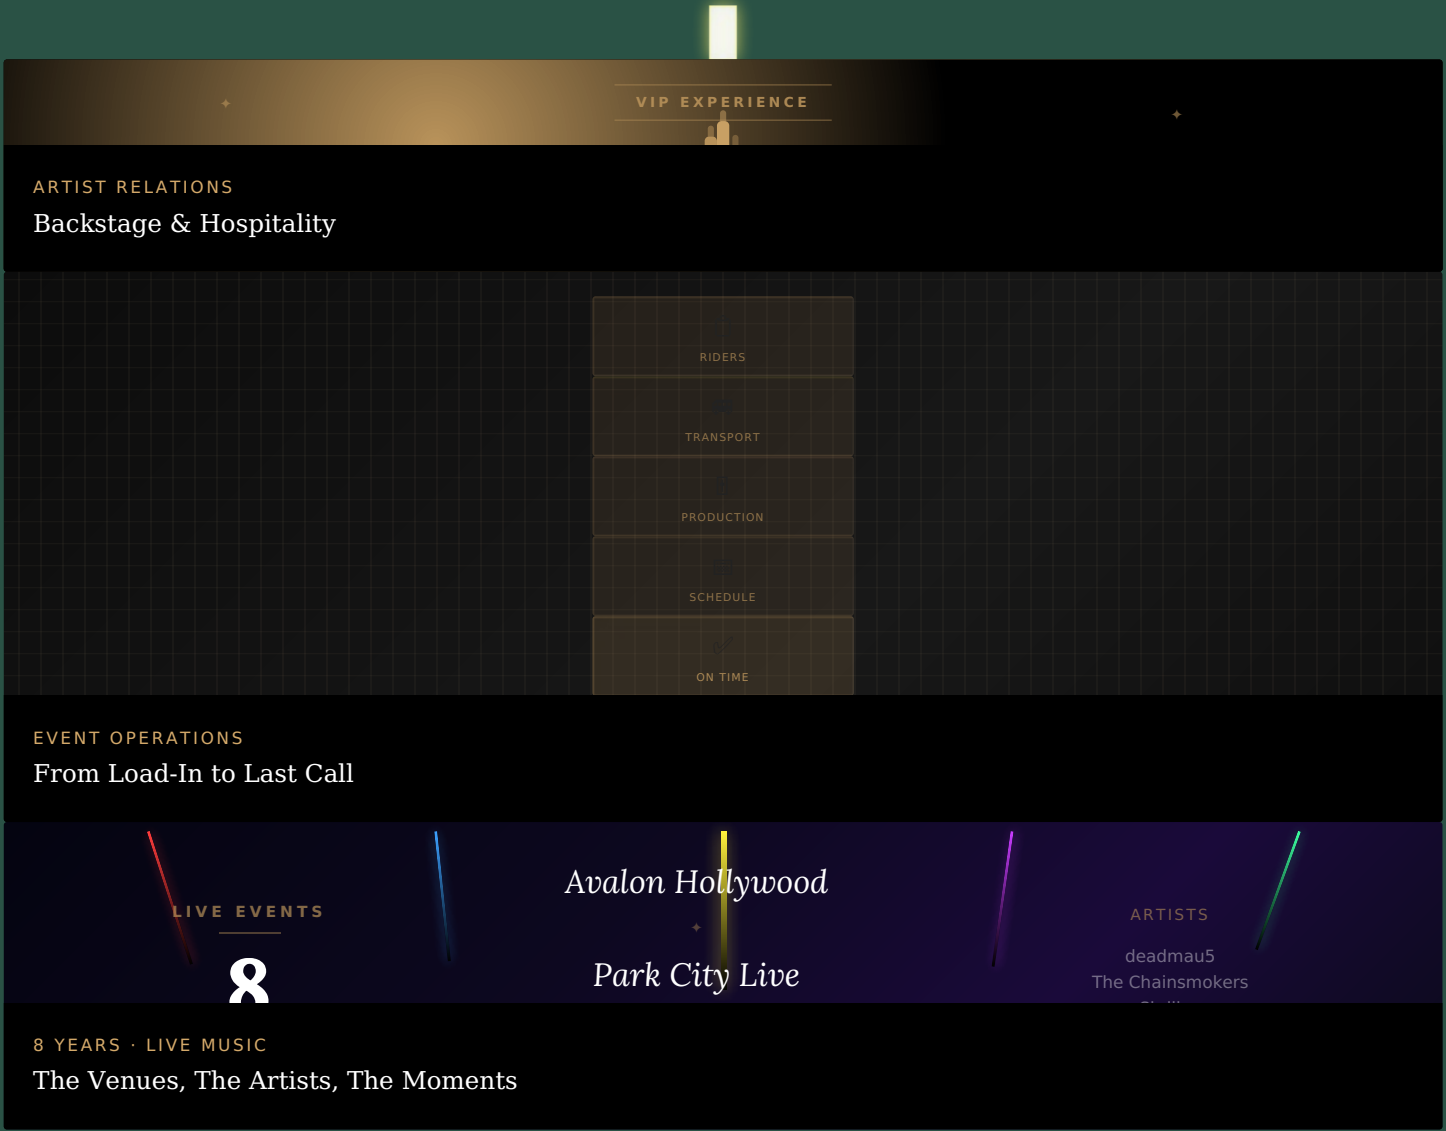

Work Experience

LIVE EVENTS

On the Ground, Behind the Scenes

From the festival stages of Park City to the iconic rooms of Avalon Hollywood — eight years of making the impossible feel effortless. Every show, every artist, every VIP moment managed with care.

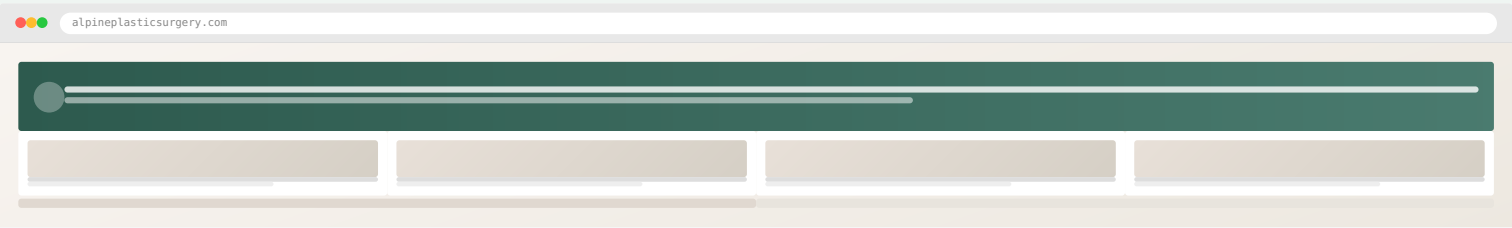

DIGITAL PROJECTS

Web Work at i4 Solutions

As Project Manager at i4 Solutions, I led each of these WordPress builds from

stakeholder discovery through final delivery — coordinating design, development, and content teams while contributing front-end support along the way.

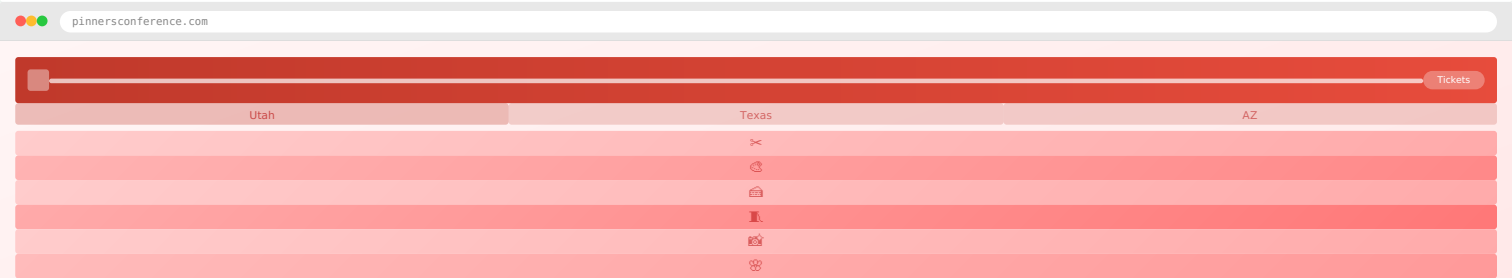

ALPINEPLASTICSURGERY.COM

Alpine Plastic Surgery

Healthcare & aesthetics practice in Ogden, UT. Delivered a trust-first WordPress site with service pages, before/after gallery, and patient testimonials.

- WordPress
- Healthcare
- End-to-End PM

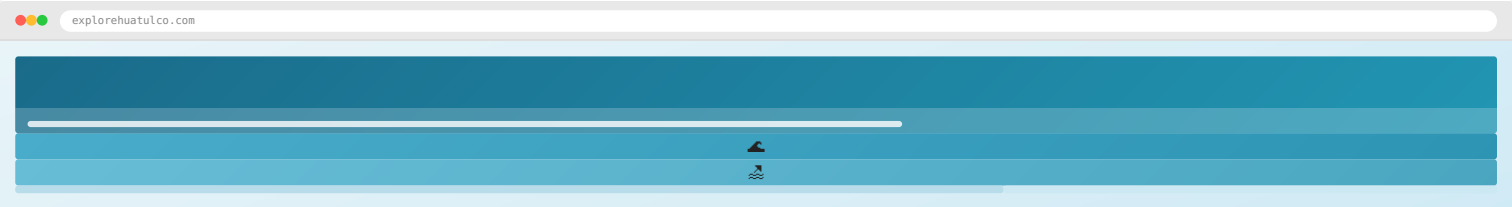

PINNERSCONFERENCE.COM

Pinners Conference

Multi-city craft & lifestyle conference with 80K+ visitors and 1,500+ exhibitors. Dynamic site supporting 6 regional events, ticketing, and class registration.

- WordPress
- Events
- Multi-Stakeholder

EXPLOREHUATULCO.COM

Explore Huatulco

Huatulco's leading luxury vacation rental platform. Bilingual WordPress site covering 80%+ of the region's luxury properties with concierge and real estate.

2019–Web Development Certificate

2020 **VSchool** · Online
Full-stack web development curriculum covering JavaScript, HTML/CSS, WordPress, and project workflows. This certification deepened my technical fluency and ability to collaborate directly with development teams.

Let's Work Together

Whether you're looking for a project manager who brings creative energy to complex deliverables, or someone who can speak fluently across events, digital, and human-centered work — I'd love to connect.
